The latest, larger Toyota Yaris is proving a big hit with South Africans. Sales of 1 111 units in September marked a new monthly sales record for this model and placed it second behind the Polo in the Sub-Small category. It is proving particularly popular in the rental market.

Renault, as a brand, continues to astound with its excellent sales figures these days. This time it was the turn of the Captur to chase the Ford EcoSport, the long-time leader in the crossover category. Captur sold 432 units to the 460 of EcoSport, which has the benefit of being a facelifted model. Last September EcoSport sold 814 units to the 256 of the Captur.
